

The background is a vibrant green field filled with numerous stars of various sizes and colors. The stars are drawn in a simple, hand-drawn style with thick outlines. The colors include red, blue, orange, yellow, green, and purple. Some stars are solid colors, while others are outlines. They are scattered across the entire background, creating a festive and magical atmosphere.

Summer Camp Making Magic

Featuring our
week 3 artists!

Crafty Creatures

5-7 with Goldie Vinella

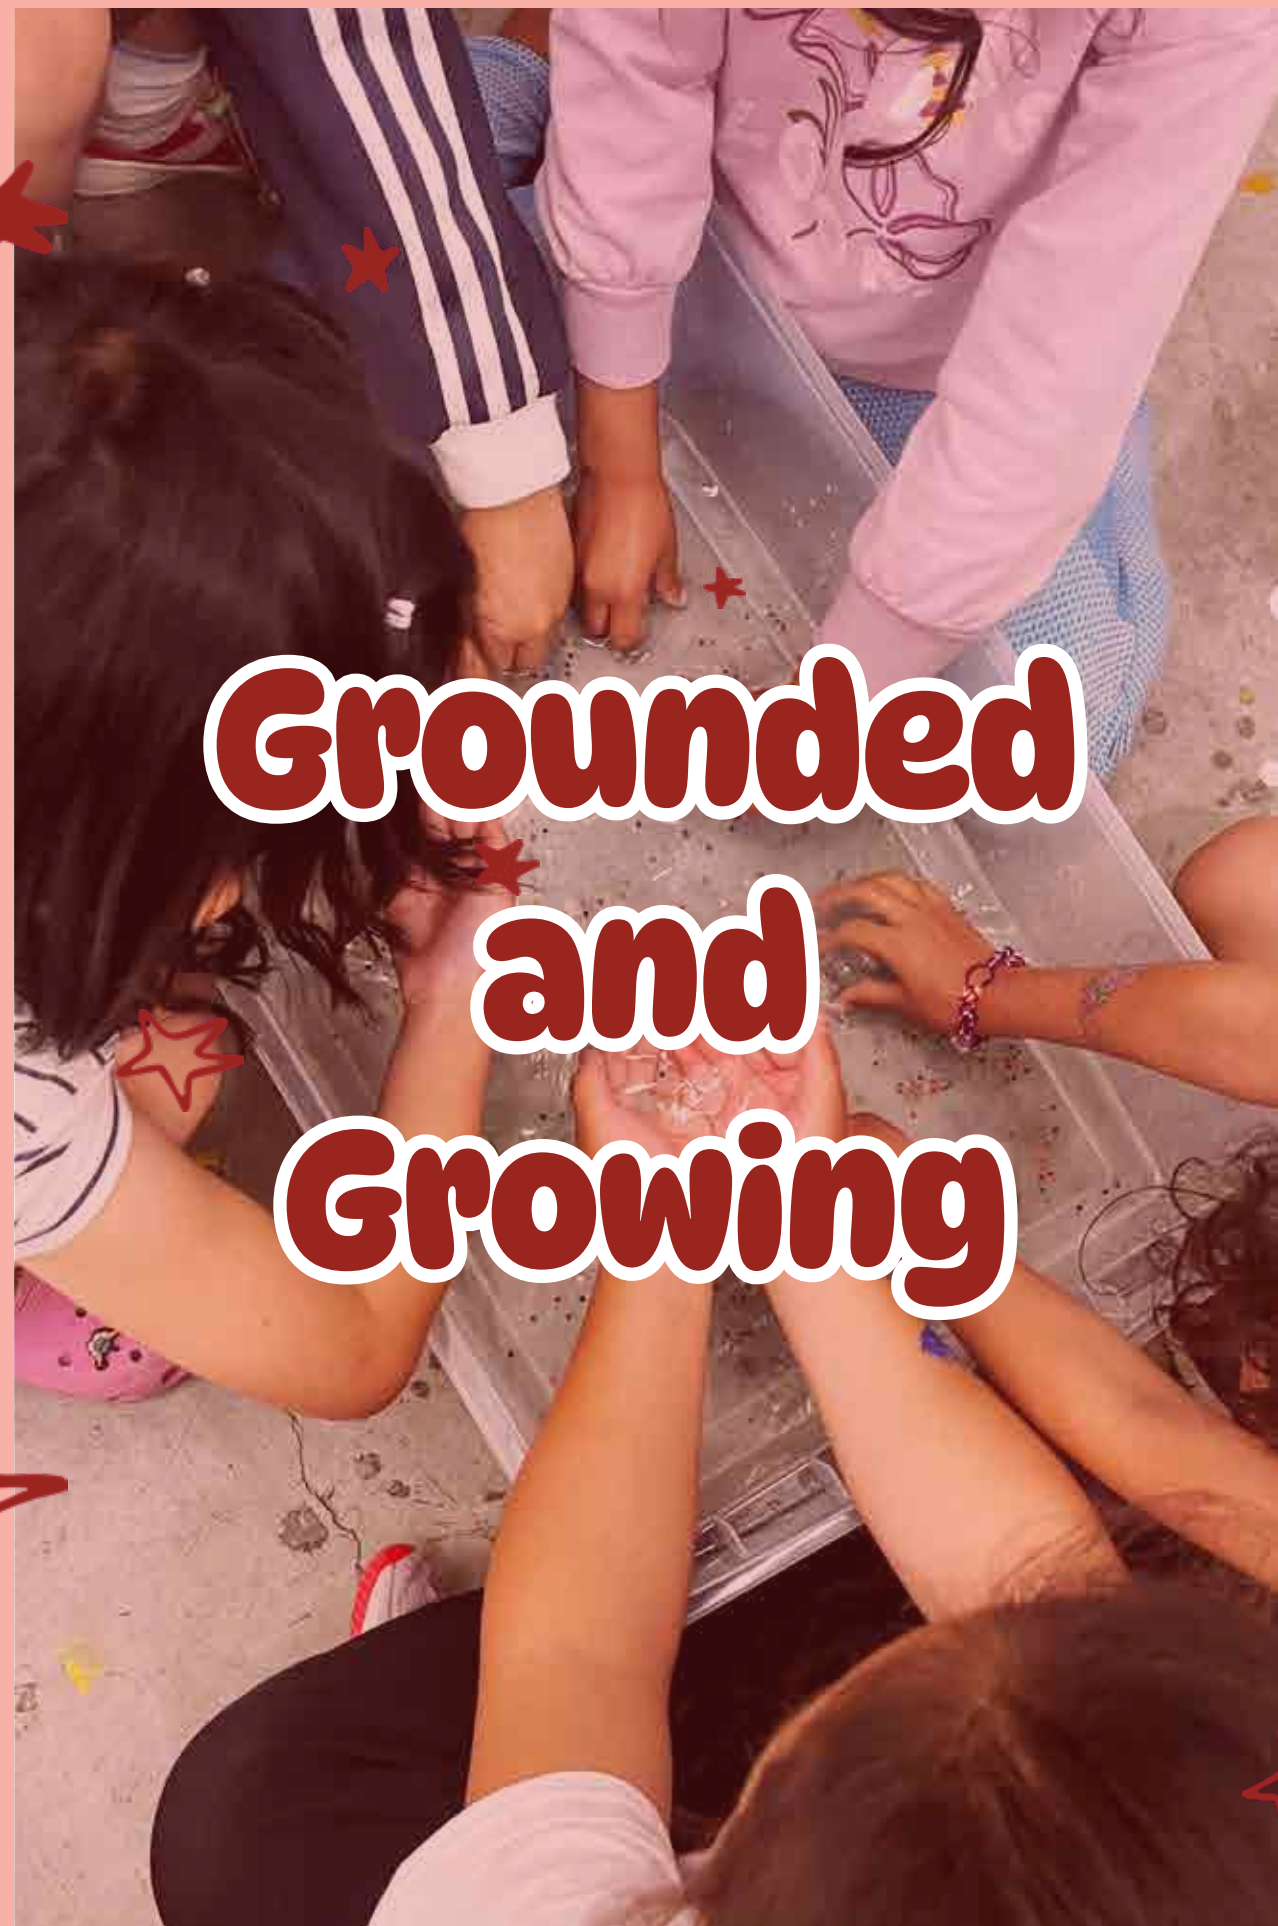

The Red Wigglers that paid our campers a visit from the Discovery Centre this week made the perfect companions for the rest of the critters we crafted, creating our own diverse collection of creatures from turtles to a giant class worm.

GOLDIE VINELLA

Grounded and Growing

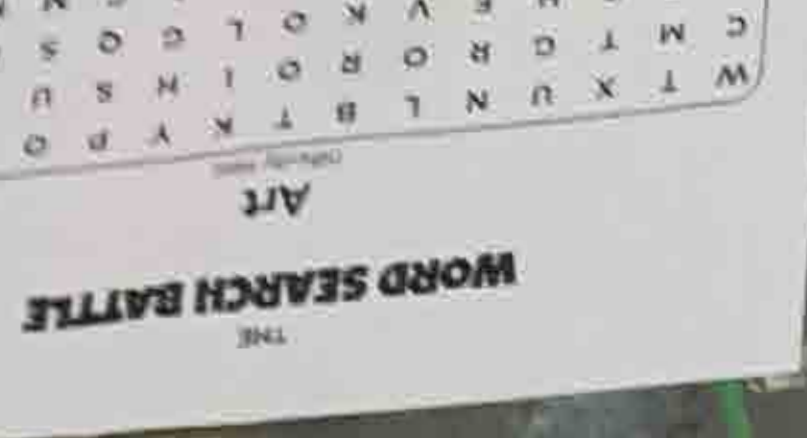

MELISSA BOUCHER-GILBERT

5-7 with Melissa Boucher-Gilbert

Our campers put their observational skills to good use this week, especially when they were comparing different common herbs through smell, look, and even the stem structure. These skills translated well to learning about the Red Wiggles that came down from the Discovery Centre .

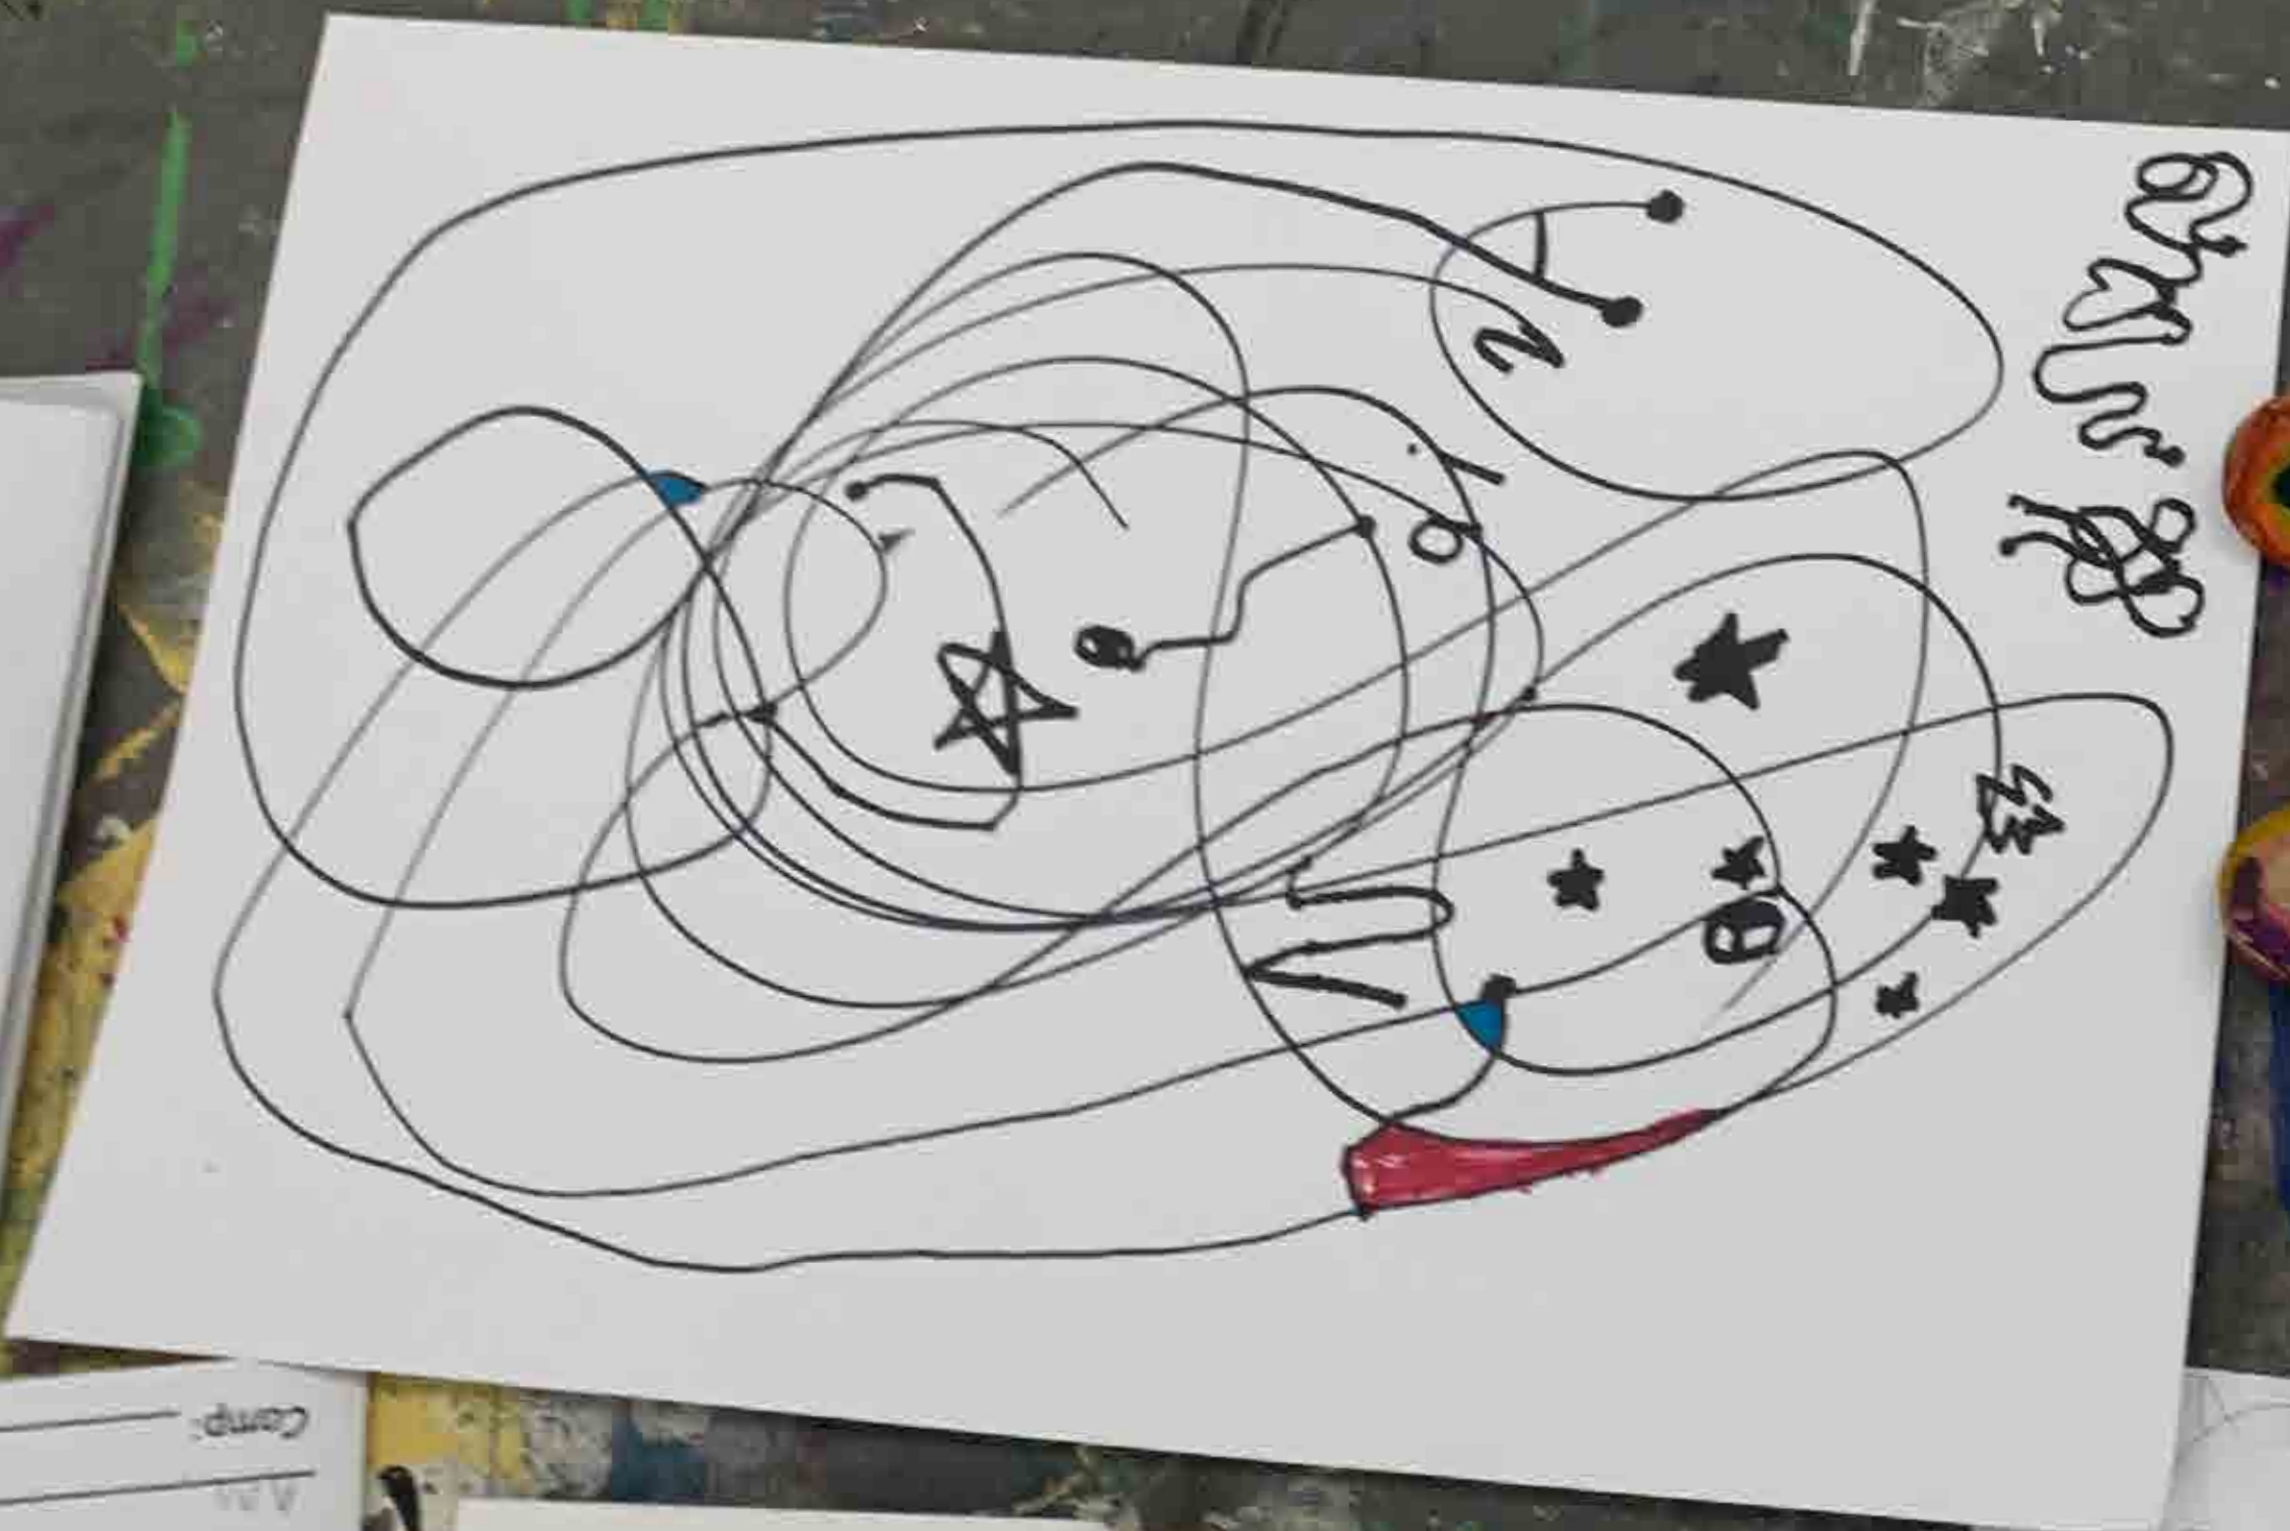

GROUNDING AND

MELISSA BOUCHER-GILBERT

Tote-Tastic!

Make your mark?

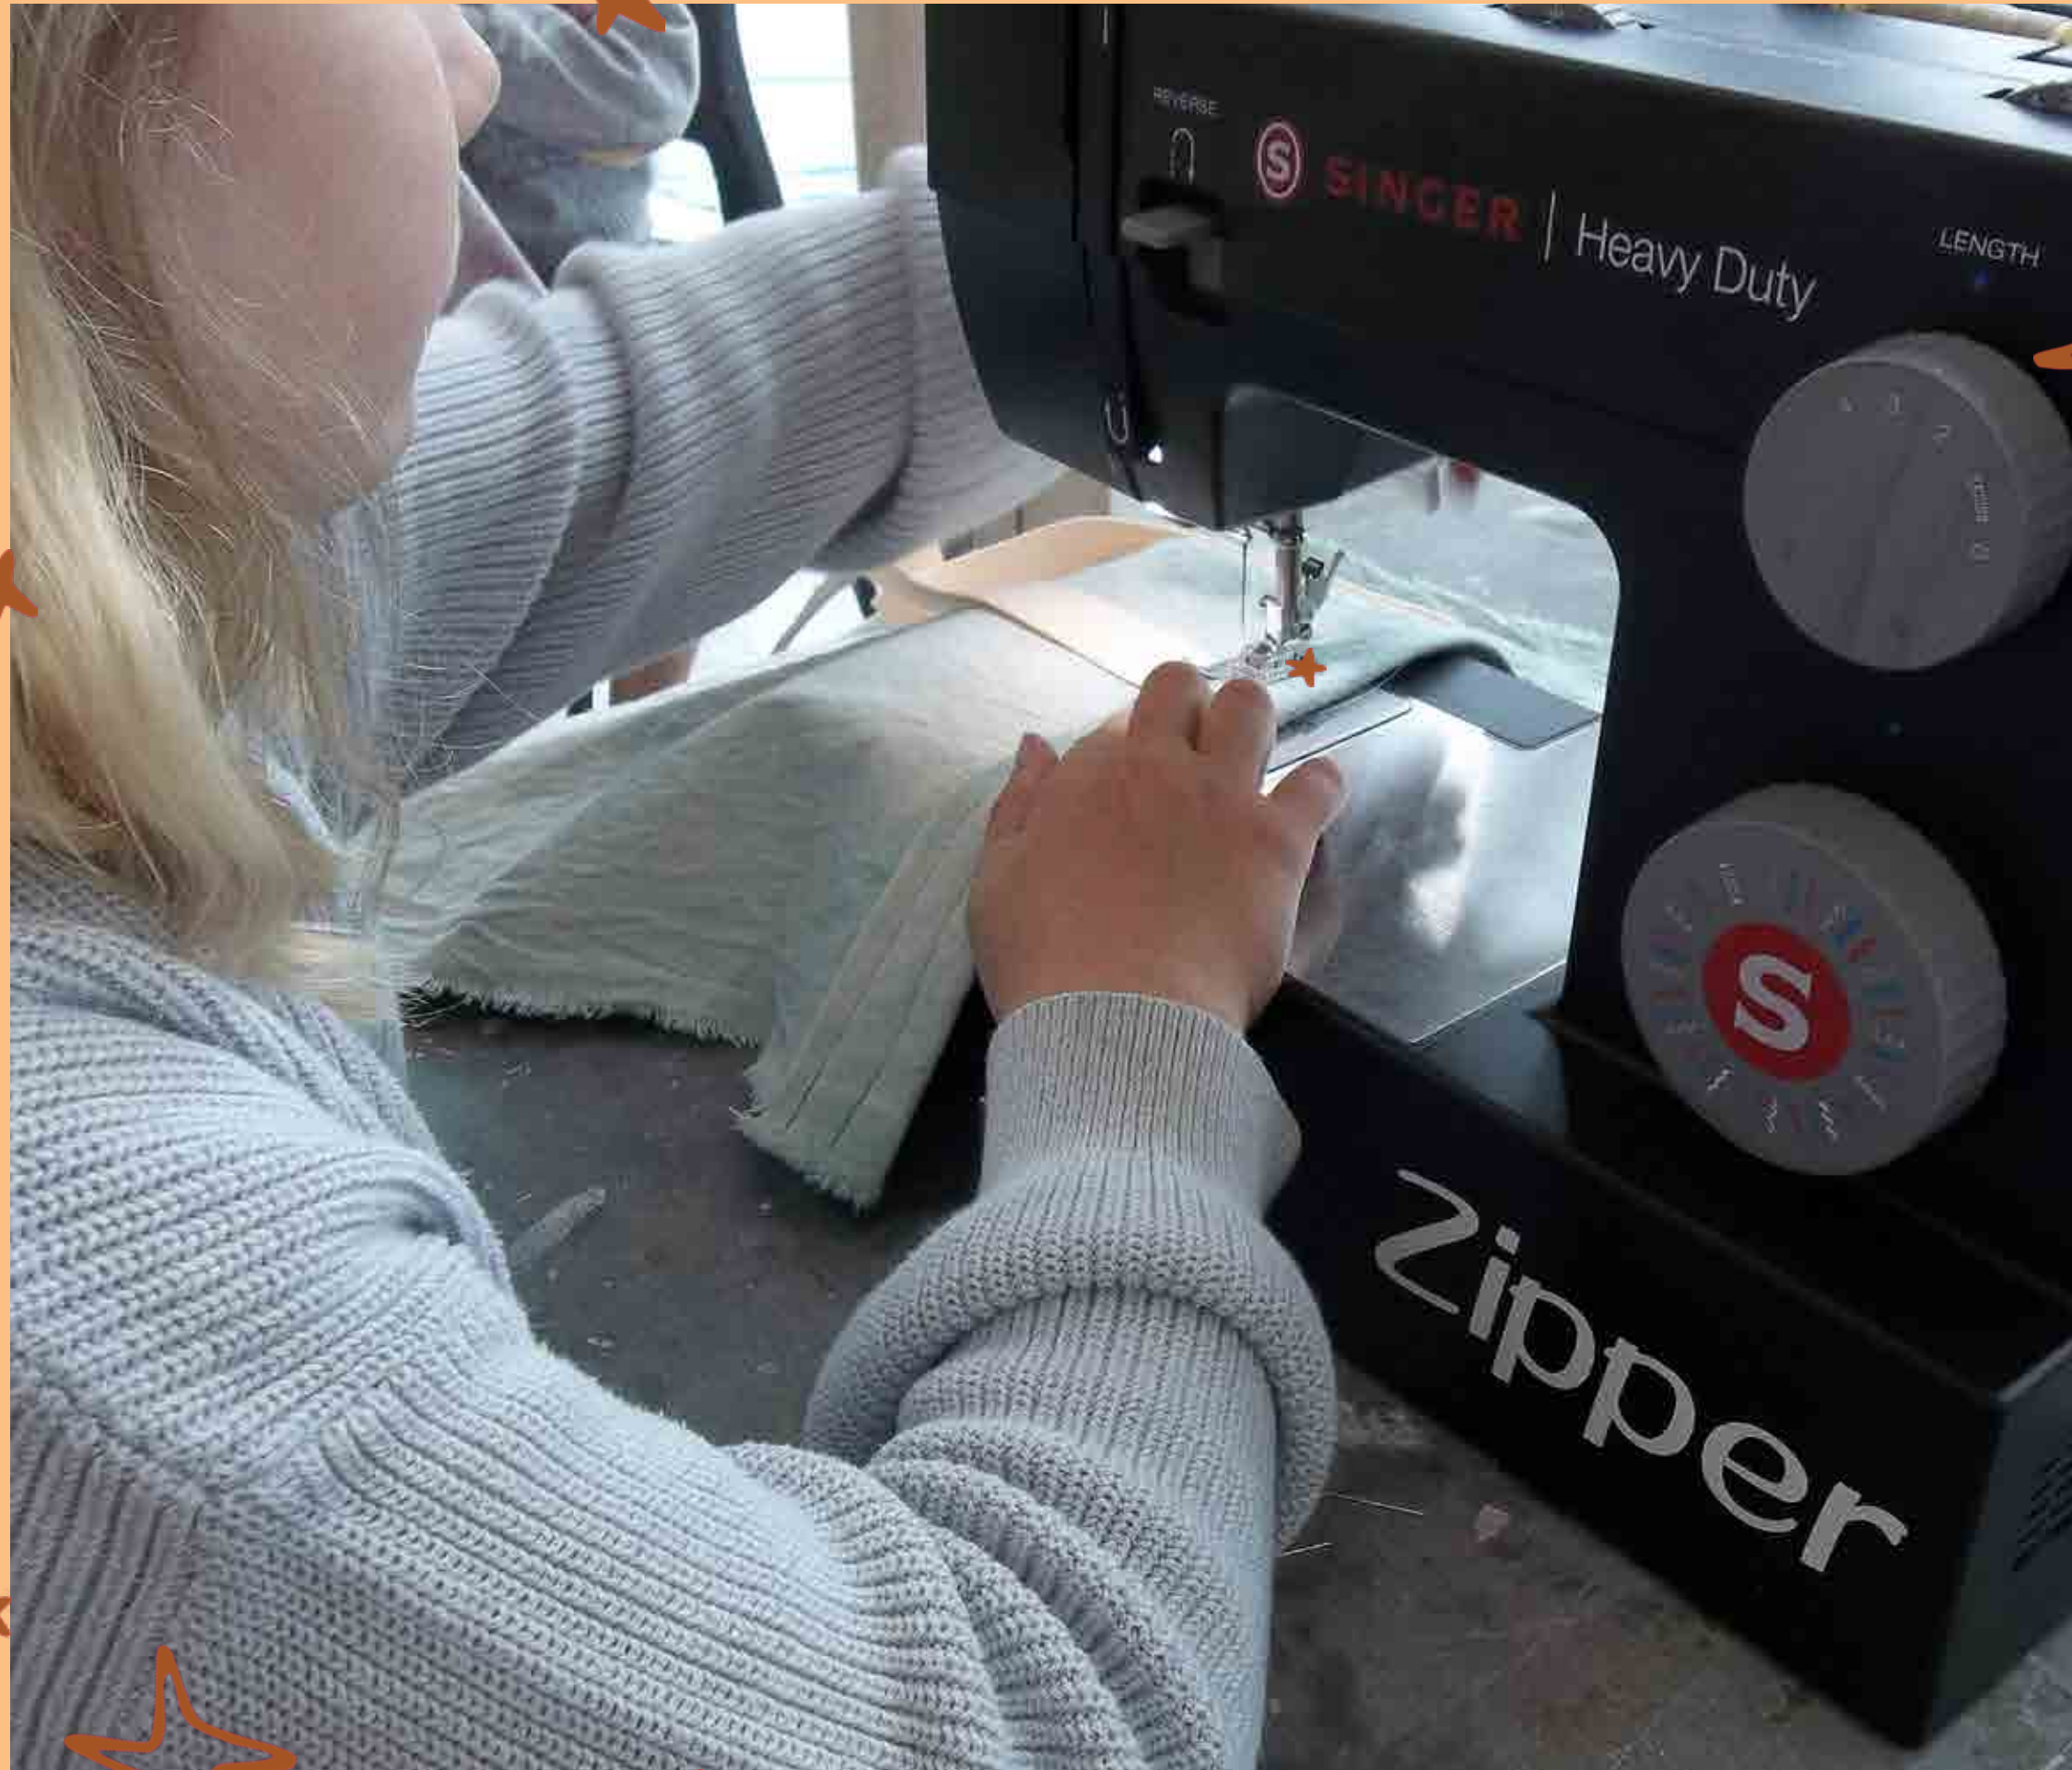

8-10 with Fern Pellerin

Our designers followed through with the full production of their very own tote bags! From moodboarding to embellishing their totes with embroidery, these campers become textiles specialists by the time the week was over.

Lunch Time Magic

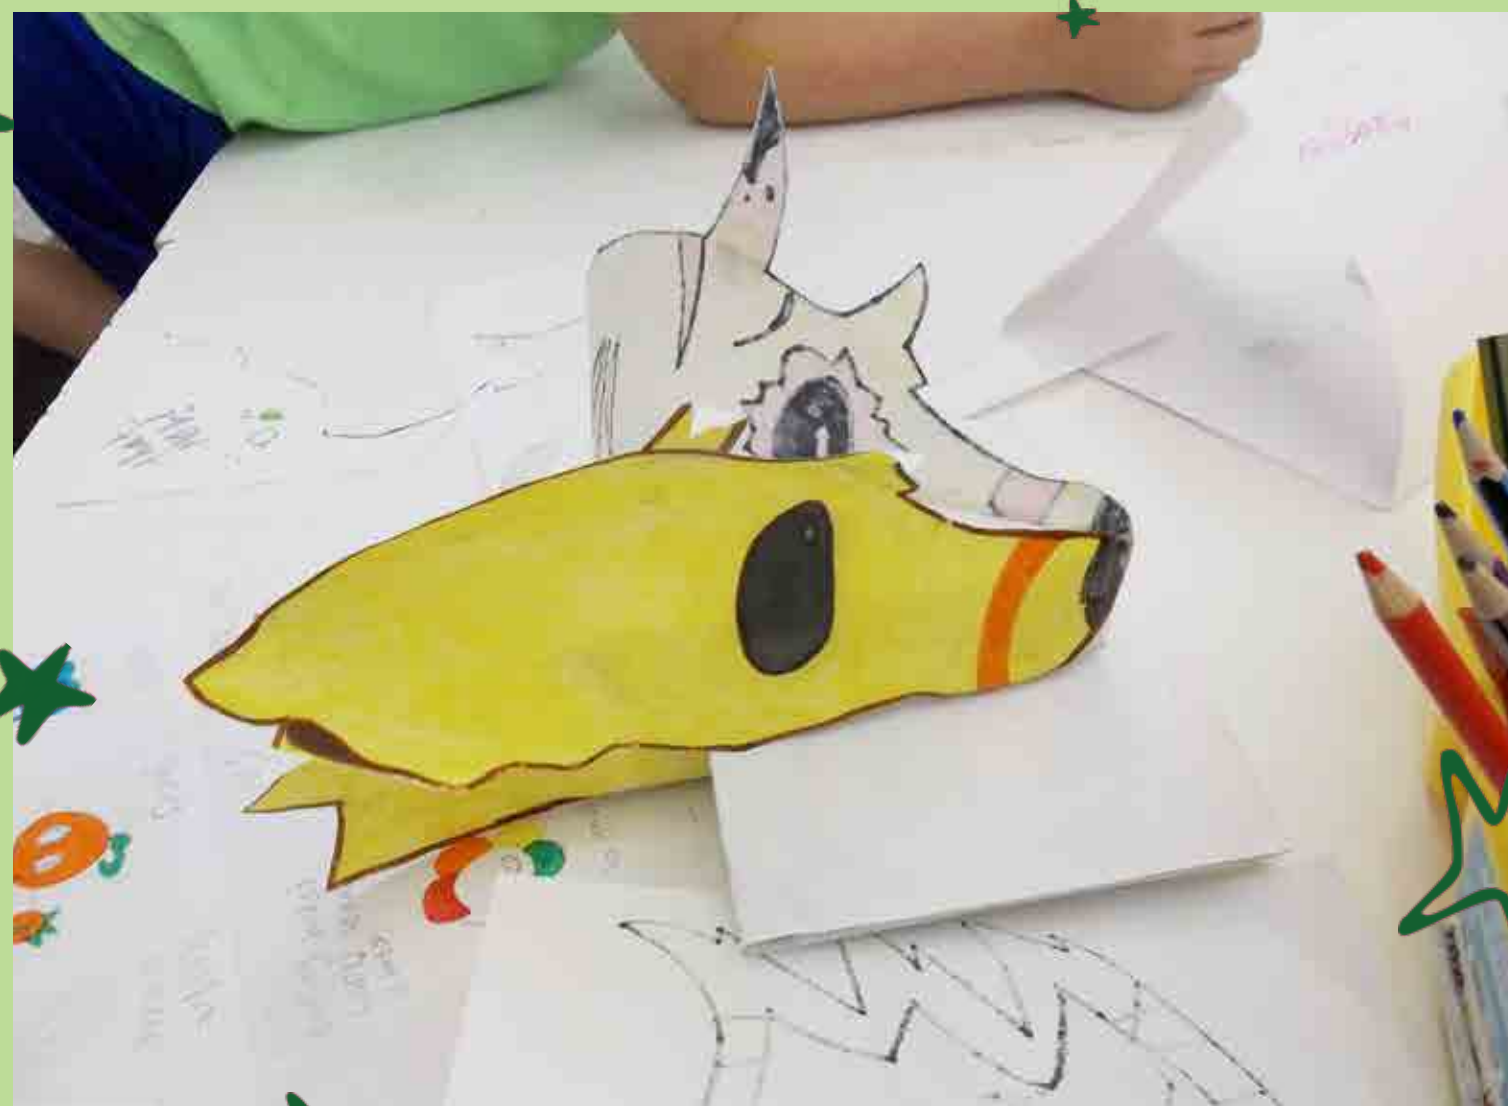

Creating Comics

8-10 with Katelynne Cagliostro

We never quite figured out why 'onomatopoeia' is such a long and complicated word for words that are quite short and uncomplicated, but we sure did love using them when building our comics this week! BOOM!

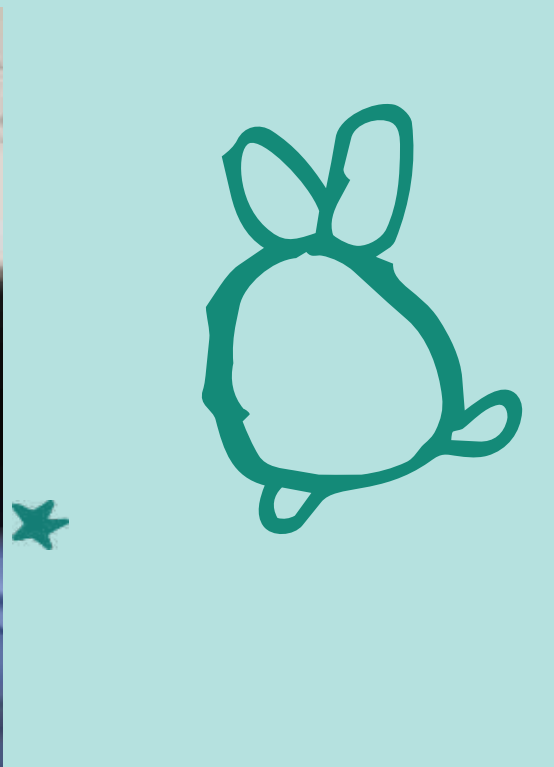

best camp
have ever
!!!
♡♡♡

This is my
favourite camp
I've ever done!
(I've done a lot of camps)

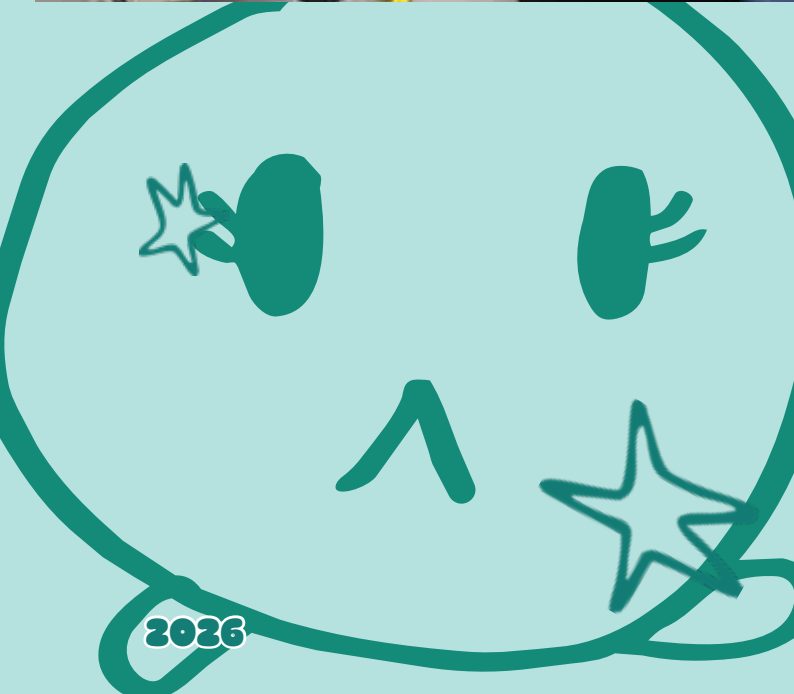

Plant Power

Cora
camp!

11-12 with MJ Black

Plants can make the most beautiful inspiration for colour, form, and composition, which is exactly what our artists learned this week. Alongside Bob Jefferson (and Betty), there was no challenge they couldn't handle.

PLANT POWER

MI BLACK

Ceramics

CAMERYN MATTIE

13+ with Cameryn Mattie

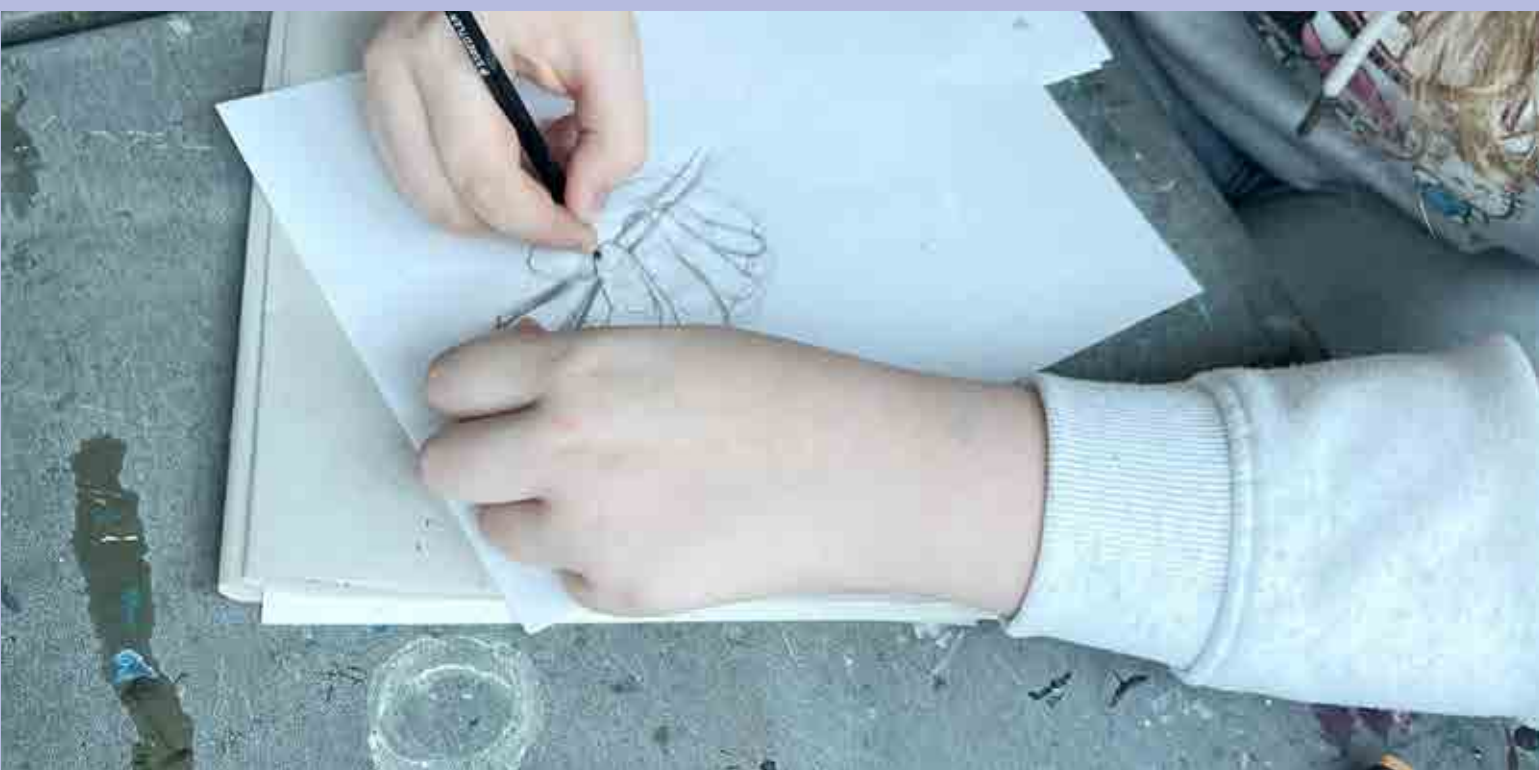

Score, slip, and attach! Our ceramicists learned the ins and outs of handbuilding this week, making an array of fun vessels, trays, and sculptures out of clay!

2026

Comics and Illustration

13+ with Saoirse Lindsay-Sinclair

Our comic artists flawlessly combined the art of making stories with their drawing skills to produce exciting comics with a diverse range of characters and themes!
