

The background is a solid light green color, densely populated with stars of various sizes and colors. The stars are drawn with thick outlines in shades of blue, red, orange, yellow, and green. Some stars are solid colors, while others are just outlines. They are scattered across the entire page, creating a festive and magical atmosphere.

Hands Full of Ideas

5-7 with Melissa Boucher-Gilbert

Our bodies and hands are full of the knowledge to make and know the things around us! We put that theory to the test this week through lots of sculptural and hands-on projects!

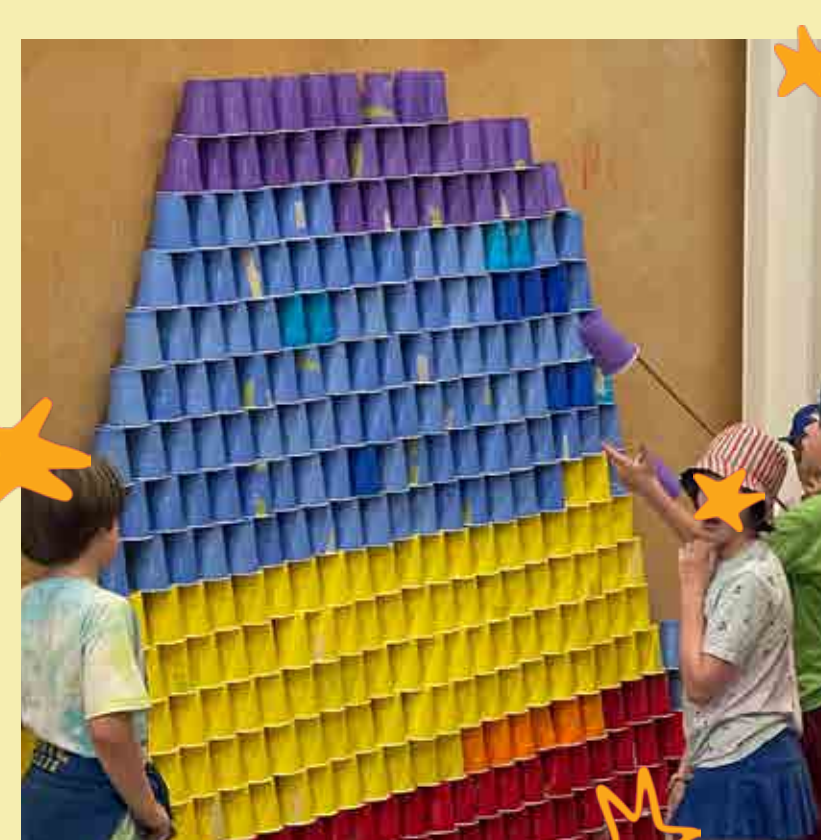

Ceramics

We molded, glazed, and breathed life into our clumps of clay to create some awesome wares and learn so many facets of ceramic-making!

Lunch Time Magic

Book-ish

Threading a needle became our biggest opp this week as we traversed the world of bookbinding!

Tote-tastic!

13+ with Ivan Flores

Believe it or not, this textiles camp was the noisiest bunch this week. Our tataki zome project sounded through the halls as we hammered our plants to discover how we could print our fabric with them. We also made some awesome totes.
